

**2011 WORS Trail Run Series Race #
July 10, 2011
Lowes Creek County Park, Eau Claire, Wisconsin**

The Chippewa Off Road Bike Association (CORBA) would like to welcome new and returning runners to the seventh annual Chippewa Valley Firecracker! CORBA trail builders remain dedicated to making this a great run and all proceeds go directly to trail building throughout the Chippewa Valley.

Saturday, July 10th will be filled with great activities for the whole family, course previews and our popular All-You-Can-Eat pasta feed, a fund raiser for McDonnell High cross country team. Finish your evening off with a campfire and settle in for the on-site camping.

Start your race day with an amazing All-You-Can-Eat breakfast (fundraiser for the cross country team). Enjoy our expo area with local vendors, race watching and concessions with food for purchase. And don't forget, we will have great swag for all registered racers!!!!

Please be sure to watch the CORBA message board for course updates and race enhancements that are still being worked on. We guarantee you will not be disappointed!
